# THE JAPANESE RED CROSS LANGUAGE SERVICE VOLUNTEERS

Free Guided Tour around  
Tokyo, Kamakura, etc. for  
physically challenged  
people available in English  
and several languages

OUR GROUP IS A VOLUNTARY BODY BELONGING TO THE JAPANESE RED CROSS SOCIETY. WE WORK AS VOLUNTEERS TO HELP OVERSEAS VISITORS ESPECIALLY THE DISABLED. WE REALLY HOPE THAT FOREIGNERS WITH A DISABILITY CAN HAVE A SMOOTH AND COZY STAY IN JAPAN.

Our members consist of a diverse mix of people from different backgrounds such as university students, business persons, retired persons, and homemakers.

★ Special Characteristics of Our Group's Activity

- We can take you on a day trip around the capital region.
- We work in pairs, in order to secure your safety under any unexpected situations.
- You only have to pay for our traveling expenses and admission fees for facilities.

★ Please tell us the places that you are interested in or what you like, such as traditional culture and current pop culture.

- We'll design the most efficient course you visit each day, using the public transportation; subway, JR and private train, etc. The public transport in Tokyo area caters for people using wheelchair. We can support you going through the necessary procedures at the station office.
- Besides public transportation, you can use a regular taxi, if you bring your folding wheelchair.
- If you don't have a folding wheelchair, you can order a van with a wheelchair lift.
- In Tokyo, some hotels have rooms including toilets and bathrooms that accommodate wheelchairs.

★ Message to Visually Disabled People

- We really hope that you, visually disabled foreigners can have a smooth and cozy stay and enjoy your activities in Japan.
- We always make an effort to train ourselves and practice how to assist you with all aspects of your stay in Japan including walking, eating and drinking.

★ Following notice is good for you !

- If you take along the physical disability certification issued by your government, your transport fare is half price, and the admission fee for all public facilities is free.
